SURFACE MOUNTING BOXES IN POLYCARBONATE

SURFACE MOUNTING BOXES 25mm DEPTH

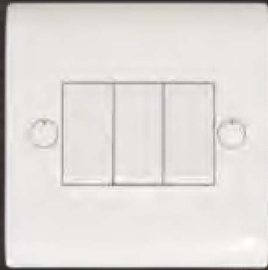

SURFACE MOUNTING BOXES 50mm DEPTH

SINCE 1935

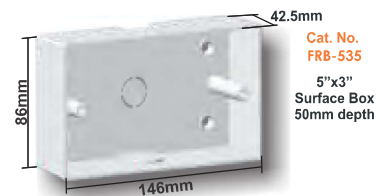

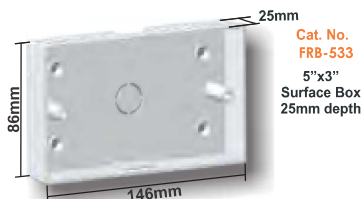

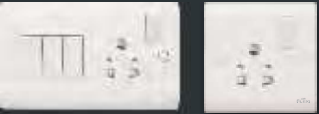

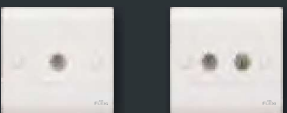

FLEXI
 RANGE

Flexi the most popular range of switches in UK, Middle East, Singapore and many other countries based on two sizes of 3"x3" and 5"x3". All the plates are preassembled. This is a highly acceptable and the most economical range, because of the minimum number of sizes resulting in easier planning and lower costs of installation.
