EASTERN EURO ELECTRO MECHANICAL CONTRACTING.LLC

MESSAGE FROM THE MANAGEMENT

I am proud to introduce Eastern Euro Electromechanical & Contracting LLC to you, where we are always driven to satisfy the needs of our clients with our commitment to be a world class organization.

We have history of quality construction spanning more than 20 years and we have the skills, knowledge and experience to guarantee that projects are delivered on time, to budget and to the required quality.

Our two decades of success continues to drive our vision and mission to:

- Build on our reputation and experience for satisfying clients requirements
- Develop long-term relationship with key stakeholders
- Be efficient, lean and dynamic
- Be an employer of choice and help our employees to reach their full potential.

My team and I look forward to being given the opportunity to reach their future potential.

Our organization's success will be built by focusing on our client's requirements and by leveraging the synergy with our sister companies within our group that together span all aspects of the construction process.

Mr. Najeeb Kassim
Managing Director

INTRODUCTION

Eastern Euro Electromechanical Contracting LLC, pleased to introduce ourselves as a professionally organized construction company in UAE, which is under the umbrella of Mascons Engineering Private Limited, which has been operating in the Indian construction market since 1996 with head office in Chennai. Our subsidiary company Pioneer Arab Desert LLC in Oman has also been operating since 2006 in GCC market.

We, Eastern Euro Electromechanical Contracting LLC, have been involving in the UAE market since 2009. Our vision is to actively participate and contribute the technology and services to the construction industry. The company is making exhilarating progress in the electrical as well as mechanical disciplines for the sole reason that they are professionally trained to develop and wisely solve solutions to any technical problems. Concisely a melting pot of various abilities and talents joining together!

Eastern Euro Electromechanical Contracting LLC has built its strength from their philosophy of quality and prompt completion of work orders from projects. Our reputation as a business is built around people offering excellence and assured quality products and services with a commitment of highest technical and managerial abilities and prioritized safety incorporating up-to-date technologies in modern and traditional services.

Our engineers are licensed and approved DEWA and other govt. authorities like SEWA and FEWA.

Our group Company Sultan Al Joker Technical Services LLC participating all kind of DEWA documentation and approval process in Dubai area.

QUALITY POLICY

Eastern Euro Electromechanical Contracting LLC is committed to meeting all the requirements of its clients and consultants at all times at a competitive cost not compromising the quality which is the responsibility of all employees.
